Dear Milt:

Your letter to Ed of 18 January 1960 requested 300 - 500 ft. of perforated 35mm SO-213 and 500 - 800 ft. of perforated 35mm SO-243.

Two rolls, each about 108 ft. of SO-213 are in the attached package. I'm sorry it's less than you asked for, but it's all we have now. The SO-243 will take 3 or 4 weeks to get and we'll send it along when it's ready. If you need more SO-213, let us know.
